## SERVICES

### **Basic Professional Services of Funeral Director and Staff** **\$3,395.00**

This is the basic charge to each family that we serve for our professional expertise in assisting them. It includes, but is not limited to, a proportionate share of the taxes, licenses, utilities, and business expenses necessary to serve the public in a professional manner. Also, included in this charge is the Funeral Director's consultation with the family, and administrative services, preparation and filing of necessary permits, consultation with the Rabbi, cemetery, common carrier, other allied service or professional, planning the funeral, and placement of death notices. There will be an added charge for the direction and supervision of each service requested or required. This fee for our basic services and overhead will be added to the total cost of the funeral arrangements you select.

### **Embalming** **\$ 1,125.00**

Embalming is contrary to *Halacha* (Jewish Law). Should you request embalming, you will be assisted accordingly. Embalming is a chemical process, which provides temporary preservation of the body and eliminates certain health hazards. A person licensed by this government jurisdiction must complete this procedure. Except in certain special cases, embalming is not required by law. Embalming may be necessary, however, if you select certain funeral arrangements, such as a funeral with viewing (however, our Funeral Home does not offer viewing or visitation) or an unavoidable inordinate waiting period between death and burial. If you do not want embalming, you usually have the right to choose an arrangement that does not require you to pay for it, such as immediate burial.

### **Sheltering of Remains for Burial at Arlington National Cemetery**

From Date of Death	\$ 500.00/month
--------------------	-----------------

Oftentimes, burial at Arlington National Cemetery presents an inordinate waiting period between death and burial. Therefore, we require embalming in addition to the use of a heat-sealed, fully hermetic containment bag. Once the date of burial is determined, a contract adjustment reflecting the waiting period will apply.
